

CONTENTS

AGRICULTURE, CROP PRODUCTION, VEGETABLE AND MELON GROWING.....	3
Averchev O.V., Nikitenko M.P. The effect of pre-sowing seed treatment with biological products on the productivity of spring barley in the South of Ukraine ..	3
Bezlatnia L.O., Matkivskiy M.P., Lozinska T.P. Biodiversity as the basis of ecosystem services: assessment, conservation, and restoration	12
Bezmenska L.A., Senyk I.I., Sydoruk H.P. Monitoring the spread of quarantine organisms in the conditions of the Ternopil region.....	19
Beiko V.S., Nazarenko M.M. Mutation variability under the action of Triton-305X for winter wheat	26
Vitrovchak L.A. Germination and biometric indicators of black seed (<i>nigella sativa</i> L.) sowing depending on agrotechnical factors in the conditions of the Western Forest Steppe.....	34
Voropai Yu.V., Chyhryn O.V., Derevianko I.O. Effect of elements of cultivation technology on the content of chlorophyll in chickpea plants	40
Gamajunova V.V., Khonenko L.H., Baklanova T.V. Resource-saving (environmental) approaches to winter wheat grain production in the Southern Steppe zone of Ukraine	46
Dudchenko V.V., Markovska O.Ye., Mrynskyi I.M. The efficiency of the biological defense system of cucumbers in greenhouse for controlling the population of the carmine spider mite.....	56
Dudchenko V.V., Markovska O.Ye., Stetsenko I.I. The impact of pre-sowing seed treatment with pesticides of various actions on the productivity of common millet is studied	64
Zhyla P.A., Nazarenko M.M. Productivity and quality of sunflower hybrids under the conditions of the Dnipro region	72
Zhuikov O.H., Lavrys V.Iu., Zhuikov T.O. The formation of the phytosanitary background of the agrocenoses of decorative sunflower under organic cultivation technology in the conditions of the Southern Steppe.....	78
Karachun V.L. Economic and biological potential of indeterminate cherry tomato hybrids in winter greenhouses	89
Korotkova I.V., Bidnyna V.Iu. Effect of nitrogen fertilizers and nitrification inhibitors on the soil nitrogen content when growing corn	98
Marusyak A.O., Krutko R.V. Character of the variability of the vegetation period of collected eggplant samples	105
Mashchenko O.A., Butenko A.O. Field similarity and survival of buckwheat plants depends on elements of technology in the conditions of the Northeastern Forest Steppe of Ukraine	111
Mykolaiko I.I. The quality of the seed depends on the conditions of its storage and varietal characteristics.....	118
Minkina G.O., Minkin M.V. The influence of main tillage measures on the yield of linseed under irrigation in the conditions of Southern Ukraine.....	125

ANIMAL HUSBANDRY, FEED PRODUCTION, STORAGE AND PROCESSING OF AGRICULTURAL PRODUCTS	130
Balabanova I.O. Reduction in the amount of fruit filling in yogurt production.....	130
Bernatskiy A.O., Borshchenko V.V., Lavryniuk O.O. Amino acid nutrition in NRC and CNCPS systems: a review	140
Vedmedenko O.V. Evaluation of reproductive and productive qualities of black African ostriches depending on different types of feeding	147
Kalinrka A.K. Optimization of the efficiency of utilization of nutrient substances of feed created by different productive genotypes of the Bukovyn zonal type of ruminant meat comolo simmental in the region of Penance	153
Kalinka A.K., Lesyk O.B. Formation of productive meat herds of the new population of the Bukovyn zonal type simmental beef meat for the Carpathian region of Bukovina	164
Korbych N.M. Productivity indicators of Tauriya-type pits of the Askanian fine-wool breed, taking into account the origin and live weight.....	172
Koroban M.P., Lykhach V.Ya. Slaughter and meat qualities of young pigs of modern genotypes at different weight conditions under conditions of industrial technology	178
Kramarenko O.S. Effect of “breeding bull” factor on the milk production of dairy cow	188
ECOLOGY, ICHTHYOLOGY AND AQUACULTURE	198
Andreychenko S.V., Klepko A.V. The peculiarities of the industrial enterprises environmental safety formation in the conditions of destabilizing external impact.....	198
Boiko M.O. Ecological consequences of burning crop residues.....	206
Boiko T.O. Assessment of the decorativeness of wood species of the family <i>Rosaceae juss.</i> Green zones of the Kherson region	211
Voitsitskiy V.M., Korniyenko V.I., Khyzhnyak S.V., Midyk S.V., Berezovskyi O.V. Selection of indicators for environmental regulation of terrestrial ecosystems.....	218
Hrynevych N.Ye., Zharchynska V.S. Microbiological evaluation of feed “Decapodafood” for feeding juvenile Australian red-clawed crayfish <i>Cherax quadricarinatus</i>	226
Zadorozhnyi M.V., Beh V.V. Minimum allowable temperatures when growing African (<i>Clarias gariepinus</i>).....	232
Kratiuk O.L., Serhiichuk B.V. Peculiarities of determining the vital state of lodgepole Scots Pine by electrophysiological methods.....	239
Kuznietsov P.M., Biedunkova O.O. Carbon compounds in the surface water identifying concentrations and sources	249
